

SPONSORS

We are proud to call Affinity Credit Union, one of our valued sponsors. Affinity has supplied us funding, which we used for purchasing new educational, and learning programs. These new additions will be essential tools for helping the Autistic children to grow and learn. Thank you and bless you Affinity Credit Union.

OUR VALUES FUNDRAISER SPONSORS

This entire list of sponsors have very generously donated various items for our Autism fundraising events. Each of these sponsors have helped us to raise our funds, so that we can reach out and help the autistic children to learn and grow.
